

Lunch Announcement

The West Iron County Public Schools have received information from the Michigan Department of Education that ALL students will now be able to eat lunch for **FREE** through December 31, 2020. This will be effective immediately. All meals will be provided to children K-12 at no cost to the families

If any students were charged prior to today, September 1, 2020, we will credit their account.

This waiver will continue until December 31, 2020. At that time, we will update you with new information.

We do ask that you still fill out the Free/Reduced meal application for our files.

If you have any questions, please call Kim Busakowski at 906-265-5218 or send an email to kbusakowski@westiron.org.
