City of Residence: Iron River**

**Is a 12th grade student at WIC High School.**

**He/She participates in: Basketball, Tennis, Student Council, Church Choir,  
Church Praise Team, Church Youth Group**

***Explain why this student is the "Student of the Week"***

**James should be Student of the Week for many reasons: his involvement in high school sports and extra-curricular clubs; his courage, passion, and motivation to pursue his dream of working in the film industry; and his involvement in the Iron County Community by helping with the Youth Soccer League and being involved in the county's drama group--The West End Players. However, the biggest reason James should be selected is the regular doses of kindness he indiscriminately shows everyone around him. His concern that people treat each other decently is genuine and constant and awesome.**
