August 22, 2011

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for Stambaugh Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Carol Brunswick, principal, for assistance.

The AER is available for you to review electronically by visiting the following web site www.westiron.org under the Stambaugh Elementary School drop down box or you may review a copy from the Stambaugh Elementary office at your child's school.

For the 2010-2011, Stambaugh Elementary along with the West Iron County School District made Adequate Yearly Progress (AYP) in English language arts and mathematics. This has been an ongoing tradition for Stambaugh Elementary. Stambaugh Elementary is not identified for improvement, corrective action or restructuring because we continue to make Adequate Yearly Progress. (AYP) While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

Stambaugh Elementary is the only early elementary school within our school district. Children in grades kindergarten through 4th grade attend this school. We are in the second year of another cycle of our three year school improvement plan. West Iron County School does not have any specialized schools. If you would like to see a copy of our curriculum, please stop in the office or go online to our website at www.westiron.org under the Stambaugh Elementary School drop down box and the curriculum by grade level is posted. Our curriculum is matched with the Michigan Grade Level Content Expectations (GLCE's). The MEAP test is the only student normed achievement tests that we take.

At Stambaugh El, an open house was held on September 13th. Sixty-eight percent (68%) of our students were represented at the Open House. This was an increase of eighteen percent (18%) from the previous year. Parent-teacher conferences were held on November 11th, 2010. We had 99% attendance which is an increase of 2% from the previous year.

We, at Stambaugh Elementary, are proud of our students and the work that is accomplished to meet the federal and state requirements. We thank you for your continued support with your children. We encourage you to continue to instill in your child the importance of a good education.

Sincerely,
Carol Brunswick
Principal
