Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for West Iron County Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Mike Berutti for assistance.

The AER is available for you to review electronically by visiting the following web site, [westiron.org](http://westiron.org) or you may review a copy from our office.

For 2010-2011, WIC Middle School made Adequate Yearly Progress in language arts and mathematics. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

West Iron County Middle School is the only middle school in our district. Children in grades 7 and 8 attend the middle school. We are in the second year of another cycle of our three year school improvement plan. Our School Improvement team focused on improving students' knowledge of inquiry based learning in the areas of reading, writing, math, science and social studies. SIP is found on the following web page: [http://www.westiron.org/highschool/downloads/pdf/sip\\_middle.pdf](http://www.westiron.org/highschool/downloads/pdf/sip_middle.pdf). The West Iron County Public Schools does not have any specialized schools. If you would like to see a copy of our curriculum, please stop in the office. Our curriculum is matched with the Michigan Grade Level Content Expectations (GLCE's). The MEAP test is the only student normed achievement tests that we take.

The Middle School held an orientation on August 31. Sixty-two percent of our students were present at orientation. Parent- teacher conferences were held on November 11, 2010. Attendance and percentages were as follows for the past two years:

#### 7<sup>th</sup> Grade

2009- 22 of our 64 families were in attendance for a 34%

2010- 35 of our 74 families were in attendance for a 42%

#### 8<sup>th</sup> Grade

2009- 31 of our 91 families were in attendance for a 34%

2010- 28 of our 66 families were in attendance for a 42%

We, at West Iron County Middle School, are proud of our students and the work that is accomplished to meet federal and state requirements. We thank you for your continued support with your children. We encourage you to continue to instill in your child the importance of a good education.

Sincerely,  
Mike Berutti  
Principal
