November 18, 2020

West Iron Parents, Staff, Students and Community,

West Iron County Public Schools will suspend face to face learning and move to distance learning for our K-8 students for the dates of Thursday November 19 and Friday November 20. Our K-8 students will return to face to face learning on November 30. Please remember that our school calendar identified no school for next week, Thanksgiving break.

The District will follow the same state orders issued for our HS students in regards to distance learning. For our K-8 population this means our buildings will be open for special ed students for educational support during this 2 day pause. K-8 special ed students and parents will be contacted by their special ed teacher to set up times. The building will also be open if you are in need of an internet connection during identified times of instruction for your student, please contact your building administrator for more information.

Also, for November 19 and 20, the district will provide lunch from 11:30 to 12:30 at the Stambaugh Elementary Gym window. The process is the same we used this past spring and in our earlier closure.

If you have any questions, please contact your building administrator.

Sincerely,

Chris Thomson, Superintendent
West Iron County Schools
