## Kindergarten Round Up April 11.

WICS will offer both Kindergarten and Early Kindergarten opportunities this fall.

**Stambaugh Elementary will be hosting our Kindergarten Round-Up on Tuesday, April 11<sup>th</sup> from 5:30-6:30pm in the Stambaugh Elementary gymnasium.**

Beginning in the Fall of 2023 the West Iron County Public Schools will be offering an Early Kindergarten option for those children that need a less rigorously demanding day to build a strong foundation for Kindergarten. Both Early Kindergarten and Kindergarten are all day, everyday programs.

To qualify for Kindergarten and Early Kindergarten your child must;

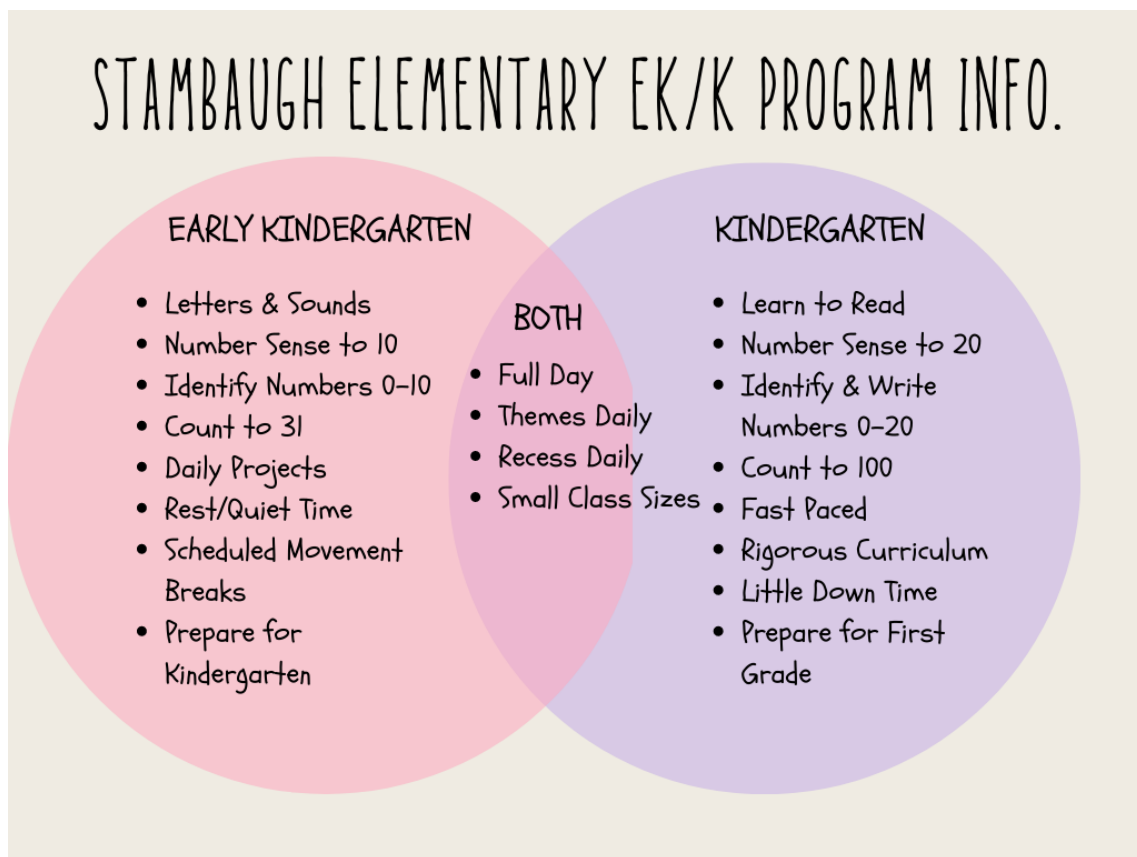

1. be five by September 1<sup>st</sup> for Kindergarten, and must be five by December 1<sup>st</sup> for Early Kindergarten.
2. be assessed by our teachers,
3. provide a copy of their birth certificate,
4. provide a copy of their updated immunization records,
5. have a completed a [registration packet](#),
6. two forms of proof of residency,
7. hearing & vision tests.

Copies can be made at the school office.

We hope all parents of incoming Kindergarteners will attend our Kindergarten Round-up. We look forward to meeting you and your child, and meet your education needs.
